

ADDINGHAM IT LTD TERMS AND CONDITIONS

PLEASE READ THESE TERMS CAREFULLY BEFORE INSTRUCTING US TO GO AHEAD WITH THE WORK. WE WANT YOU TO KNOW THAT YOU WILL ALWAYS GET A FAIR DEAL FROM US AND TO UNDERSTAND EXACTLY WHAT YOU ARE AGREEING TO. IF YOU WOULD LIKE AN EXPLANATION OF ANY OF THESE TERMS, PLEASE DON'T HESITATE TO ASK.

ONCE YOU GIVE US THE GO AHEAD TO BEGIN WORK, YOU WILL HAVE ENTERED INTO AN AGREEMENT ON THESE TERMS.

Price and payment

The price given in our estimate is an estimate only and not a fixed quotation.

The estimate may have been given without a detailed examination having been possible, and is based on:

- our best estimate of how long the work will take at our current hourly charging rate of £48 per hour;
plus
- the likely cost of any new or replacement parts which may be required

Sometimes, once work has begun and a more detailed examination has been possible, unforeseen complications may become apparent. In these circumstances, we will have the right to charge a final price for the work which could be higher than the estimate. If this is likely, we will always obtain your prior approval of the higher price.

The price is payable by you immediately upon completion of the work outlined in the estimate and is payable without any deductions by way of set off, counterclaim, discount, or otherwise, unless agreed by us.

Ownership of any replacement parts supplied by us in the course of carrying out the work will only pass to you once the price has been paid in full.

Our obligations

We will use reasonable skill, care and judgment in carrying out the work outlined in the estimate and will do it in a professional and timely manner. We will warrant that any replacement parts supplied by us will correspond to our description of them.

All other warranties, conditions or terms relating to our performance, or the fitness for purpose, quality or condition of new parts, whether express or implied, are excluded to the fullest extent permitted by law.

We undertake to keep confidential all information, whether written or oral, concerning your business and affairs which we might obtain or receive as a result of carrying out the work outlined in the estimate, save where we are required to disclose it by any law or regulation or by the order of any competent body.

We will only use any personal information provided by you for the purpose of carrying out the work outlined in the estimate, or for informing you of the availability of other services which we could offer you.

The limit of our liability to you

We accept liability to you in respect of any damage to your equipment resulting from our negligence, up to the cost of replacing the damaged equipment. Except as otherwise provided in these terms, and except in relation to death or personal injury resulting from our negligence, our liability to you for negligence or breach of contract on our part will be limited to damages equal to the price payable by you for the work outlined in the estimate.

We will not be liable to you for loss of revenue, loss of anticipated savings, loss of profits, loss of data, damage to goodwill, loss of reputation, or any type of indirect, economic or consequential loss or damage, however caused and even if such loss was reasonably foreseeable or you had advised us of the possibility that you could incur such loss.

Your obligations

Sometimes it may be necessary to take your equipment away in order to repair it more efficiently (for example, if you have a very slow broadband connection speed which makes the download of necessary software or updates extremely slow) and if you refuse to permit this, then you will be responsible for the extra costs of carrying out the work in situ.

You will provide any necessary access, documentation or information necessary for us to carry out the work outlined in the estimate.

It is your responsibility to ensure that you have taken an adequate backup copy of your files and personal data before we begin work.

Copyright and other rights in materials and documents we create for you

The copyright, design right and all other intellectual property rights in any materials and other documents or items prepared or produced for you by us in the course of doing the work outlined in the estimate shall belong to Addingham IT Ltd absolutely and any such materials, documents or items will be and will remain the property of Addingham IT Ltd. You will be entitled to use any such materials, documents or other items for your own purposes but you will not be entitled to copy or use them for any commercial purpose.

Matters outside our control

Neither you nor Addingham IT Ltd shall be liable to each other for any breach of your or our obligations resulting from causes beyond your or our reasonable control.

Ending this agreement

We will have the right to terminate our agreement, with immediate effect, if:

- once we have had an opportunity to carry out a more detailed assessment of your equipment, we form the opinion that it is either not possible or not economic to carry out the work outlined in the estimate. In these circumstances, you will not be charged for my work.
- or
- you have breached your obligations under the agreement (for example, by failing to give me access to the equipment) and have continued with your breach for 30 days or more despite a request from us that you remedy it. In these circumstances, you will be liable to us for payment for work done and any replacement parts ordered up to that date.

You will have the right to terminate our agreement, with immediate effect, if, for any reason, after we have begun the work outlined in the estimate, you decide that you do not want us to continue. In these circumstances, you will be liable to us for payment for work done and any replacement parts ordered up to that date.
